College Applications: College applications with a January 1, 2018 deadline must be submitted to your school's guidance office by December 8, 2017.

Every day, almost 30 people in the United States die in motor vehicle crashes that involve an alcohol-impaired driver. That's like an entire classroom of students dying each and every day. Driving under the influence of marijuana and other drugs can also be very risky. Teach your child never to ride with an impaired driver.
