HORNETS... Did You Know

Dear Families of Lakeland High School,

The LHS Guidance Department is excited to share with you our **Did You Know** flyer. We are aware that information might not always make it home and we often hear - *we didn't know*. It is both our hope and goal that with this flyer we can better communicate directly to families **important events** taking place weekly in Guidance.

Did You Know

That this week in Guidance:

- the High School Counselors met with all of their **freshmen** in small groups
- Navigating High School presentation for 9th & 10th grades was held on 10/12
- school counselors are working diligently with their Seniors to complete early action college applications which are due **November 1st** for most colleges

Next week:

- **October 20th** is the last day to **drop** a 1/2 year course w/o affecting transcript notation and to **change** a course level w/o a grade trail

Remember

- transcript request forms are due to counselors 10 school days before any deadlines
- if your child needs to meet with their counselor, encourage them to set up an appointment

Always review your Guidance Newsletter for Up-to-Date Information
