Cross- School Participation on Athletic Teams

Policy # 5133.1

It is the policy of the Board of Education that District students may try-out for and participate on athletic teams only at the school he or she attends, except for cross-District teams, which are open to all eligible District students. Where a District student attends a BOCES program or other educational program full-time, he or she may try-out and participate on athletic teams only at the school located within the attendance zone of the student's residence.
